

Data Quality Curriculum (DQC) PAsECUREID SPECIALTY MODULE

MODULE INFORMATION

Module Description: PAsecureID is the lynch pin to the Pennsylvania Information Management System (PIMS). The PAsecureID Specialty Module will guide you on how to obtain a PAsecureID for a student, while familiarizing you with the functions, resources, common problems and demographic issues associated with PAsecureID.

Module Objectives: Participants will examine a variety of effective strategies and gain the knowledge to address technical procedures associated with PAsecureID.

Module Requirements: Data Quality Curriculum Track completion is prerequisite to taking any specialty module.

Module Structure: This module will be delivered entirely online using the Moodle platform. Use your Moodle account to login to the module from the DQC login page that can be found at <https://www.padqc.org/learn>.

The PAsecureID Specialty Module consists of online exercises, including resource reviews, quizzes and optional forum discussions.

Moodle Access: To access the module on Moodle, participants will need access to the Internet and a supported Web browser (Firefox, Google Chrome, or Safari).

Technical Support: If you need technical assistance at any time during the module, or to report a problem with Moodle, you can:

- Review the online Moodle Tutorial located in the *Need Help with Moodle* block on the DQC Moodle site.
- Click the forgotten password link and follow instructions for password retrieval.
- Contact the PIMS point of contact at your local intermediate unit.

General Information: *Tracking Progress:* Participants can review their progress throughout the track by locating the Assignments block in Moodle and clicking the quiz and assignment link. To review a combined list of completed assignments and quizzes, locate the Grades option under Settings.

Grading: Quiz questions are worth one point each and will be graded automatically through Moodle.

Contact Information: Please contact RA-DDQDataCollection@pa.gov with questions or for more information about DQC.
