

Data Quality Curriculum (DQC)  
**EDUCATOR EFFECTIVENESS SPECIALITY MODULE SYLLABUS**

## MODULE INFORMATION

---

- Module Description:** The Educator Effectiveness (EE) Specialty Module introduces specific data collection and reporting procedures relative to PVAAS and Educator Effectiveness.
- Module Objectives:** The objective of the Educator Effectiveness Specialty Module is to increase awareness of EE.
- Module Requirements:** Completion of any DQC track is prerequisite to taking a specialty module.
- Module Structure:** This course will be delivered entirely online, using the platform of Moodle. Use current Moodle account to login to the course from the DQC Program login page (<https://www.padqc.org/learn>).  
The Educator Effectiveness Specialty Module consists of online activity, which includes resource review and one quiz .  
Upon completion of this module participants will reinforce knowledge in current terminology as well as technical and practical procedures.
- Moodle Access:** This course will be delivered online through the online course platform Moodle.  
To access the module on Moodle participants will need access to the Internet and a supported Web browser (Firefox, Google Chrome, or Safari).
- Technical Support:** If you need technical assistance at any time during the course or to report a problem with Moodle you can:
- Contact a member of the DQC team. Refer to your welcome email for information.

**General Information:**

**Tracking Progress:** Participants can review their progress by locating the Assignments block in Moodle and clicking the quiz and assignment link. To review a combined list of completed assignments and quizzes, locate the Grades option under Settings.

**Grading:** Quiz questions are graded automatically though Moodle. Assignments and open-ended questions will be graded manually and will not show a grade until entered by the instructor.
