

Data Quality Curriculum (DQC) EDUCATOR EFFECTIVENESS SPECIALITY MODULE SYLLABUS

MODULE INFORMATION

- Module Description:** The Educator Effectiveness (EE) Specialty Module introduces specific data collection and reporting procedures relative to PVAAS and Educator Effectiveness.
- Module Objectives:** The objective of the Educator Effectiveness Specialty Module is to increase awareness of EE and provide an opportunity to gain endorsement for participant's PDE Data Quality Curriculum Track.
- Module Requirements:** Data Quality Curriculum Track completion is prerequisite to taking any specialty module.
- Module Structure:** This course will be delivered entirely online, using the platform of Moodle. Use current Moodle account to login to the course from the DQC Program login page (<https://www.padqc.org/learn>).
- The Educator Effectiveness Specialty Module consists of online activity, which includes resource review, one quiz, and optional forum discussion.
- Upon completion of this module participants will reinforce knowledge in current terminology as well as technical and practical procedures.
- Moodle Access:** This course will be delivered online through the online course platform Moodle.
- To access the module on Moodle participants will need access to the Internet and a supported Web browser (Firefox, Google Chrome, or Safari).
- Technical Support:** If you need technical assistance at any time during the course or to report a problem with Moodle you can:
- Review the online Moodle Tutorial located in the *Need Help with Moodle* block.
 - For forgotten passwords, please click the forgotten password link and follow instructions.
 - Contact the PIMS point of contact at your local intermediate unit.

General Information:

Tracking Progress: Participants can review their progress by locating the Assignments block in Moodle and clicking the quiz and assignment link. To review a combined list of completed assignments and quizzes, locate the Grades option under Settings.

Grading: Quiz questions are worth one point each and will be graded automatically through Moodle. Assignments and open-ended questions will be graded manually and will not show a grade until entered by the instructor.
