

Data Quality Curriculum

SCHOOL ENROLLMENT TEMPLATE SPECIALITY MODULE SYLLABUS**MODULE INFORMATION**

Module Description:	The PIMS School Enrollment Template provides vital student data from LEAs to PIMS. This template, submitted by various LEAs across the Commonwealth, is incorporated in to both production data needs as well as internal snapshots extracted by the PDE. The data submitted via this template tracks student mobility in terms of students' entering, exiting, and movement throughout the Commonwealth in a school year.
Module Objectives:	Participants will gain a working knowledge of the School Enrollment Template, and reinforce current knowledge. Upon completion of this module participants will reinforce knowledge of technical and practical procedures, while providing an opportunity to gain endorsement for their PDE certificate.
Module Requirements:	Data Quality Track completion is prerequisite to taking any specialty module.
Module Structure:	<p>This module will be delivered entirely online, using the platform of Moodle. You will use your Moodle account to login to the course from the DQC Program login page (https://www.pdq.org/learn).</p> <p>The SPP Specialty Module consists of an online exercise, which includes a resource review, and an optional forum discussion.</p>
Moodle Access:	To access the module on Moodle, participants will need access to the Internet and a supported Web browser (Firefox, Google Chrome, or Safari).
Technical Support:	<p>If you need technical assistance at any time during the course or to report a problem with Moodle you can:</p> <ul style="list-style-type: none">• Review the online Moodle Tutorial located in the <i>Need Help with Moodle</i> block.• For forgotten passwords, please click the forgotten password link and follow instructions.• Contact the PIMS point of contact at your local intermediate unit.
General Information:	<p>Tracking Progress: Participants can review their progress by locating the Assignments block in Moodle and clicking the quiz and assignment link. To review a combined list of completed assignments and quizzes, locate the Grades option under Settings.</p> <p>Grading: Quiz questions are worth one point each and will be graded automatically through Moodle. Assignments and open ended questions will be graded manually and will not show a grade until it is entered by the instructor.</p>
