COURSE INFORMATION

Course Description:

The Experienced PIMS Administrator Exam is not an instructional component of the DQC. Individuals that have progressed through the outlined stages of PIMS knowledge development (New PIMS Admin, Entry Level PIMS Admin) will demonstrate their advanced knowledge of PIMS-related processes and collections addressed in the Data Quality Curriculum. This is a high-level exam that provides no resources. It is assumed that individuals that feel they are "Experienced" will demonstrate both an understanding of collection content and the resources required to research guidance independently. **You must complete and pass any 5 Advanced Level Modules to gain access to this exam.**

Course Requirements:

Participants will need the following to successfully complete the track.
- Internet Access
- Moodle Access
- Completion of <u>all</u> assigned online coursework on time
- Receive a 90% or higher final grade

Course Structure:

This course will be delivered through Moodle, an online learning platform (www.padqc.org/learn). Once on the DQC Moodle site, participants will access the online exercises, course materials, and resources. Moodle can be accessed through Firefox, Google Chrome, or Safari.
